1. Is this an individual response or are you officially responding on behalf of an organisation?	Individual
2. Please provide your name	John Rowland BSc (Qld 1972) MB BS (Homs Qld, 1974) see John Rowland Vattuone
3. Please indicate your stakeholder group(s) :	Parent/carer, Professional
4. Please provide the name of the Catholic entity you are officially responding on behalf of	
5. Please indicate the type of Catholic entity you are officially responding on behalf of	
6. Please indicate the approximate number of Church personnel affiliated with your organisation	
7. Please indicate the type of non-Catholic entity you are officially responding on behalf of	
7a. Please provide your organisation's name	
8. Please select the state(s) and/or territory(s) you are based in?	Prefer not to say
Do you consent to your identifying details being published, in addition to your responses, on the CPSL website?	Yes, CPSL can publish my identifying details
General feedback relating to the Standards	
1. The National Catholic Safeguarding Standards are: - Easy to understand	
1. The National Catholic Safeguarding Standards are: - Presented in a logical manner	
1. The National Catholic Safeguarding Standards are: - User-friendly	
1. The National Catholic Safeguarding Standards are: - Consistent and accurate in their use of terminology	

<p>2. I/we believe that the National Catholic Safeguarding Standards create conditions that will increase the likelihood of identifying and reporting harm to children in Catholic entities.</p>	<p>Strongly disagree</p>
<p>3. I/we believe that the National Catholic Safeguarding Standards will facilitate appropriate response to disclosures, allegations and suspicions of harm to children in Catholic entities.</p>	<p>Agree</p>
<p>4. I/we believe that the National Catholic Safeguarding Standards will reduce the likelihood of harm to children in Catholic entities.</p>	<p>Disagree</p>
<p>Please provide further explanation regarding your choice of responses to questions 1 to 4, either by providing a general comment below and/or providing specific comments against each Standard in the next section of the Survey.</p> <p>5. General/Overall comments on the National Catholic Safeguarding Standards</p>	<p>: The Christian Brothers made efforts to selectively recruit those who were totally unsuitable. What was said by the brother recruiting was “Every Irish mother wants one son to be a priest, one daughter to be a nun, Be the one who pleases your mother. If you don’t like it, it is a roof over your head. We religious are virtually guaranteed salvation, you lay people are probably going to hell” Note there is no mention of Jesus. When you exclude God from religion as some members of the Catholic Church did, The Royal Commission findings are unavoidable.</p>
<p>Standard 1: Committed leadership, governance and culture</p>	
<p>1. How would you rate this Standard in relation to safeguarding children from harm in Catholic entities?</p>	<p>Needs improvement</p>
<p>1a. Please explain your response.</p>	<p>Some in Church leadership decided to live with private shame to avoid public dishonor of the Church. They ended up with both.</p> <p>It is critical to avoid moral turpitude in any form. I have a Texas Medical license in America. Moral turpitude is cause for loss of license. The church has to commit itself to the highest moral standards.</p>
<p>2. What are the key challenges and opportunities for improvement in relation to the topic covered by this Standard? Will the</p>	<p>The Church has to rapidly identify vulnerable at risk children rapidly. This has never been done in my experience.</p>

National Catholic Safeguarding Standards address and alleviate these challenges?	
3. What are the main challenges and obstacles you can foresee to the implementation of, and achievement of compliance with, these Standards?	predators know what is morally good, but still search for victims to destroy
4. Are there any gaps in the Standard, Criteria, Indicators or Implementation and Evidence Guide that you can identify, or areas that have not been covered?	Many families are toxic and the children are damaged by a young age. Some Brisbane suburbs were toxic in the 1960's, the lower income ones. Please see the studies by the Center for Disease Control, CDC in USA: "Shared Risk and Protective Factors Across Multiple Forms of Violence"
Standard 2: Children are safe, informed and participate	
1. How would you rate this Standard in relation to safeguarding children from harm in Catholic entities?	Somewhat effective
1a. Please explain your response.	Children had no views. My father's friends were forced to become doctors by their parents. Children were seen and not heard
2. What are the key challenges and opportunities for improvement in relation to the topic covered by this Standard? Will the National Catholic Safeguarding Standards address and alleviate these challenges?	Critically important
3. What are the main challenges and obstacles you can foresee to the implementation of, and achievement of compliance with, these Standards?	I had no idea what sex was even when I was 16. How can you explain something to a child who has no clue?
4. Are there any gaps in the Standard, Criteria, Indicators or Implementation and Evidence Guide that you can identify, or areas that have not been covered?	Critical
Standard 3: Partnering with families, carers and communities	
1. How would you rate this Standard in relation to safeguarding children from harm in Catholic entities?	Somewhat effective

<p>1a. Please explain your response.</p>	<p>Critical. However the problems arise when unworthy church officials make decisions. You have little idea what it is like to have 2 Catholic teachers turn up at your home and say : “Your children have been abused at The Sacred Heart School you placed them in.Do not report this to the Police and do not bring criminal charges against the Catholic Church”. The damage to the child can be devastating.</p>
<p>2. What are the key challenges and opportunities for improvement in relation to the topic covered by this Standard? Will the National Catholic Safeguarding Standards address and alleviate these challenges?</p>	<p>The church has protected the predators in the past.</p>
<p>3. What are the main challenges and obstacles you can foresee to the implementation of, and achievement of compliance with, these Standards?</p>	<p>Recruit the very best people into religious life. Get rid of the unworthy.</p>
<p>4. Are there any gaps in the Standard, Criteria, Indicators or Implementation and Evidence Guide that you can identify, or areas that have not been covered?</p>	<p>No</p>
<p>Standard 4: Equity is promoted and diversity is respected</p>	
<p>1. How would you rate this Standard in relation to safeguarding children from harm in Catholic entities?</p>	<p>Effective</p>
<p>1a. Please explain your response.</p>	<p>The church has to realize some are vulnerable. In the past it was sure a good hard beating would cure all irregular childhood behavior</p>
<p>2. What are the key challenges and opportunities for improvement in relation to the topic covered by this Standard? Will the National Catholic Safeguarding Standards address and alleviate these challenges?</p>	<p>As a doctor, I feel I can identify vulnerable children and adults by their behavior. It just isn't normal. You have to be focused on other people. Read some of the Sherlock Holmes stories. The Christian Brothers regarded any perceived deviation from expected behavior as immediate indication for the strap</p>
<p>3. What are the main challenges and obstacles you can foresee to the implementation of, and achievement of compliance with, these Standards?</p>	<p>Children can't complain. An authoritarian society prevents it</p>

4. Are there any gaps in the Standard, Criteria, Indicators or Implementation and Evidence Guide that you can identify, or areas that have not been covered?	No
Standard 5: Robust human resource management	
1. How would you rate this Standard in relation to safeguarding children from harm in Catholic entities?	Highly effective
1a. Please explain your response.	The most important thing the church can. It is critical to eliminate the unworthy.
2. What are the key challenges and opportunities for improvement in relation to the topic covered by this Standard? Will the National Catholic Safeguarding Standards address and alleviate these challenges?	Extremely difficult as the line from the mass explains "who's faith is known to You alone O Lord"
3. What are the main challenges and obstacles you can foresee to the implementation of, and achievement of compliance with, these Standards?	Only time will tell if someone is a morally good person. (Veritas temporis filia) JFK was regarded as a saint by many Brisbane Catholic women of Irish origin. He was anything but.
4. Are there any gaps in the Standard, Criteria, Indicators or Implementation and Evidence Guide that you can identify, or areas that have not been covered?	I would not comment.
Standard 6: Effective complaints management	
1. How would you rate this Standard in relation to safeguarding children from harm in Catholic entities?	Insufficient
1a. Please explain your response.	Not in the past
2. What are the key challenges and opportunities for improvement in relation to the topic covered by this Standard? Will the National Catholic Safeguarding Standards address and alleviate these challenges?	We will see
3. What are the main challenges and obstacles you can foresee to the implementation of, and achievement of compliance with, these Standards?	Protection of the reputation of the Church came before all else

4. Are there any gaps in the Standard, Criteria, Indicators or Implementation and Evidence Guide that you can identify, or areas that have not been covered?	No
Standard 7: Ongoing education and training	
1. How would you rate this Standard in relation to safeguarding children from harm in Catholic entities?	Effective
1a. Please explain your response.	Critical that the vulnerable are rapidly identified. Usually it is the poor who are abused and violated. However, look at history, King Henry VIII 's daughter, Elizabeth I suffered severe sexual abuse by her uncle in Tudor England. Money is a protection, but not a guarantee of safety.
2. What are the key challenges and opportunities for improvement in relation to the topic covered by this Standard? Will the National Catholic Safeguarding Standards address and alleviate these challenges?	Authoritarian, proud low intelligence Church officials
3. What are the main challenges and obstacles you can foresee to the implementation of, and achievement of compliance with, these Standards?	Good training
4. Are there any gaps in the Standard, Criteria, Indicators or Implementation and Evidence Guide that you can identify, or areas that have not been covered?	We will see
Standard 8: Safe physical and online environments	
1. How would you rate this Standard in relation to safeguarding children from harm in Catholic entities?	Highly effective
1a. Please explain your response.	Needs to be done
2. What are the key challenges and opportunities for improvement in relation to the topic covered by this Standard? Will the National Catholic Safeguarding Standards address and alleviate these challenges?	No
3. What are the main challenges and obstacles you can foresee to the implementation of, and	None

achievement of compliance with, these Standards?	
4. Are there any gaps in the Standard, Criteria, Indicators or Implementation and Evidence Guide that you can identify, or areas that have not been covered?	No
Standard 9: Policies and procedures support child safety	
1. How would you rate this Standard in relation to safeguarding children from harm in Catholic entities?	Highly effective
1a. Please explain your response.	Obvious
2. What are the key challenges and opportunities for improvement in relation to the topic covered by this Standard? Will the National Catholic Safeguarding Standards address and alleviate these challenges?	None
3. What are the main challenges and obstacles you can foresee to the implementation of, and achievement of compliance with, these Standards?	None
4. Are there any gaps in the Standard, Criteria, Indicators or Implementation and Evidence Guide that you can identify, or areas that have not been covered?	No
Standard 10: Regular improvement	
1. How would you rate this Standard in relation to safeguarding children from harm in Catholic entities?	Highly effective
1a. Please explain your response.	Necessary
2. What are the key challenges and opportunities for improvement in relation to the topic covered by this Standard? Will the National Catholic Safeguarding Standards address and alleviate these challenges?	Looks ok
3. What are the main challenges and obstacles you can foresee to the implementation of, and achievement of compliance with, these Standards?	None

4. Are there any gaps in the Standard, Criteria, Indicators or Implementation and Evidence Guide that you can identify, or areas that have not been covered?

No
