Standards

Applying the National Catholic Safeguarding Standards Workshop

This full-day session is intended for those in operational roles across Church entities, those with key safeguarding responsibilities within the scope of their role and people interested in learning more about the Standards and how to improve safeguarding practices within Church entities.

This session has an **operational/implementation** focus and has an emphasis on creating a culture of safeguarding, change management, risk management and other operational areas.

Who should register to attend?

This session is open to anyone keen to learn more about the Standards and improve safeguarding practices within Church entities. Participants who might attend include:

- Directors/managers of safeguarding/business/human resources
- Vicars general
- Chancellors
- Chairs of safeguarding committees
- Parish representatives
- Compliance/risk managers
